One Private Dining Club ~ Two Convenient Locations

Meet at the top where local business leaders come to share experiences and expand business and social contacts. Harbor Club Members enjoy two exclusive Private Dining Clubs, both offering a full service dining room and bar, a variety of private dining and meeting rooms, plus exclusive member business and social events. Each membership includes a member and spouse who may dine, entertain, work and socialize in a quiet refuge that is private, elegant, and yet supremely inviting. Members also have access to over 200 additional private clubs located around the globe.

Harbor Club Seattle is located on the 17th floor of the Norton Building with panoramic views from Mount Rainier to Elliott Bay. Harbor Club Bellevue is located on the 25th floor of the Symetra Financial Center with dramatic views of the Seattle Skyline, the Cascade and Olympic Mountains, and Lake Washington.

The Harbor Club is a place where achievement, exclusivity, and hospitality naturally come together. Service is personalized to your preferences; the cuisine is exceptional, custom menus are available, and the locations are convenient for business and social entertaining.

Available to a chosen few

The Harbor Club Seattle/Bellevue offers several categories of membership. Each category includes complete club privileges in both locations. Applications are reviewed by the Membership Committee and the Board of Governors.
